Texas B.A.S.S. Nation is excited to offer its membership another path to qualify for the BASSMASTER CLASSIC. Texas Team Championship Qualification is simple: Register and participate in one (1) of the Qualifier events and finish in the top 12 teams of that event, and your team is qualified for the Championship. A total of 48 teams will qualify for the Championship, with the final 12 teams coming from the point's standings. If a team is qualified already, we will move down the list to the next team, and in the points standing to achieve a total of 48 teams at the Championship. The team with the most points after the Championship (double points), will be the 2017 Team of the Year (must fish all events) and will be awarded "free entry" to all Qualifiers in 2018, plaques, and publication on the website! The Texas Team Championship is a two-day event, where the highest finishing team will earn the berth to the BASSMASTER Team Championship Event, with a minimum of 20 team field. For each sequential 20 teams competing during the 2017 Season, 1 additional team will earn a berth as well. (20 teams = 1st Place to National, 40 teams = 2nd Place to National, 60 teams = 3rd Place to National) Teams will be allowed to substitute a partner for (1) one qualifier event, only. All points will remain with the stated Boat Captain.

The BASSMASTER Team Championship is an entry-fee based National two-day event, where the top three (3) teams advance to the BASSMASTER Team Classic Event, which will be held the same week, following the BASSMASTER Team Championship. BASSMASTER will provide six (6) boats, whereby each individual will then compete. There is no entry fee to the final Classic Event, and no Payouts. The Champion wins a 2017 BASSMASTER CLASSIC entry. The benefits of Texas BASS Nation Membership are listed on the website. For more information, including the rules and entry forms; go to Texas B.A.S.S Nation Site @ <http://www.texasbass.org/>
