## 2005 Championship Results & Story

### Story

Well, Jimmy Johnson almost did it again but he was edged out by less than a pound by John Goin who took first place along with cash and prize money of almost \$2,000. John came in with a solid 14+ pound stringer the first day... but more importantly, he followed it up with almost 20 pounds the final day for a total weight of 34.81. John will advance automatically as one of the top 12 Texas anglers to the Central B.A.S.S. Federation Divisionals to be held next year. Congratulations to John and we wish you luck at Divisionals next year.

In second place, Jimmy Johnson brought in a solid stringer of 16 pounds the second day but it wasn't enough to retain his top South angler position that he's been known to attain in many of our southern tournaments. Jimmy was able win big bass honors with a 7.46 largemouth caught fishin' his jig in deep water the second day. Rounding out the top 3 was Derrick Kuyrkendall with a little over 33 pounds. Derrick made a solid run for the title but was knocked out by less than 2 pounds short of the title. And just like the top finishers, Derrick was fishing deep grass with heavy plastics. Rounding out the next 4 places was Mike Robbins (28.76) and Cal Bienhoff (25.96) of Quality Bass Club, Rick Shock (23.33) of Brush Country Bassmasters, and David Jara (22.63) of Del Rio Bassmasters II. Places 2-7 will have the chance to represent the South in the next state Top 6 tournament to be held next year at Amistad Reservoir... congratulations to all of them for their fine finish.
