

2007 Championship - Amistad

Forrest Wilson is our champion and will be representing us in the CENTRAL DIVISIONAL next year. Forrest was a non-boater this time so that should be a lesson to us to keep an open mind. I believe this is the second time in the last four years a non-boater has been the champion. Ted Sprencel won a few years ago from the back as well.

We had some good money in the Calcutta. Charles Whited bought Forrest for \$110 and the pay off was \$1390. Second Tony Chance bought himself for \$50 and the payoff was \$834 (we should have not let him buy himself that cheap). Third Derick Kuyrkendall bought Jimmy Johnson for \$300 and the payoff was \$556.

If you guys would drop Ron Castle a line and thank him for all the work he has done behind the scene. I thank him but it doesn't seem to be adequate.

Thank You All For Fishing this year. I appreciate your cooperation and support.

May God Bless You and Keep You Safe. Rick Rickman
