

NORTH CENTRAL REGIONAL MEETING July 2019

OPEN: Roll Call. Clubs presidents present: Bass Club of Ft Worth, Big Sandy Creek Bass Club, Texas Anglers Bass Club, Tarrant Christian Bass Club, Heart of Texas Bass Assassins, Centex Bass Hunters Bass Club, Anglers for Christ Bass Club, West Bass Club, Mansfield Bass masters

Reason for the Meeting:

1. Talk to the club President to find out what we need to do in order to fix the problems we are having with our clubs and their participation at state and regional events.

A. The clubs felt that the lakes were posted too late for the clubs to make changes, which we as a board accept the blame for that, but this next upcoming season will be on them. I also told the club Presidents that we need to be willing to travel south or north to these events in mass numbers coming from the clubs. I also let the club presidents know that they need to do a better job putting info out to their members.

2. Inform everyone of info that came from the State meeting.

We talked about what lake could possibly be state tournament lake. We informed the presidents on the proposed thought that could help raise the numbers coming to the event by bring back the top six and they all agreed that their members would like to see the teams compete again.

3. Pick the lakes and dates for the upcoming season.

The club presidents choose to have four tournaments all done in two weekends. Lakes and dates are as follows: Stillhouse 7 March, Belton 8 March, Eagle Mountain 2 May, Granbury 3 May with the Championship being held on Hubbard Creek in Sept or Oct (TBD).

4. Received nominations for the next director

Nomination for the next two years for NCR director was put on the floor and all the presidents wanted Randy Fleeman to stay and continue with the hard work that he has done with the region.

The club Presidents were very happy with the support and the communication he provided to them all, and they all feel that he can bring it to a new level in the next two years.

So there will not be a vote due to default, no other members were nominated.

Notes from the Director: This year the regional director wants the clubs to have their Nation dues payed direct to nation online and make a copy of your registered members for the 2020 season and send that along with a updated email for each member of their club check or money order for state dues to him first and then he would send it forward to the State. The dues will need to be sent to him NLT 15 November 2019

He also stated to the Club presidents to put out to the club members to call him first, not the state president. If he can't answer the question he will get the answer for them. This will keep us in the loop with our clubs and it could also benefit other clubs who may have the same question.

Treasure report:

NC Region Finance Report

Season Starting Balance	\$0.00
Season Total Revenue	\$3,825.00
Season Payouts	\$3,293.00
Angler of the Year	\$220.00
Season Ending Balance	\$311.00

We will add the Plaques in when purchased so that will leave us with around \$225.00

Tournament director notes:

Tournament director stated that if you plan on fishing the season to send in your registration forms two weeks prior to the event to ensure money is deposited and we have your phone number to contact each person in case the event is postponed because of bad weather. Otherwise the tournament will be cancelled.

Championship for the 2019 season will be held on Stillhouse Hollow lake at the Marina. We will be using the Island pavilion the 19th and 20th of Oct 2019.

We want to thank our sponsors for this event.

**Shelton and Shelton Plumbing for the first day big bass awards.
\$200 for first and \$50 for second.**

**Bowen Heating and Air for the second day big bass awards.
\$200 for first and \$50 for second.**

After the first day on the water guys will be treated at the Pavilion with a steak dinner which is being sponsored by Air One HVAC of Dallas /Ft Worth. The angler of the year will be recognized at the dinner.

Meeting Closed: 13:35
