

## TEXAS B.A.S.S. NATION REGIONAL TOURNAMENT RULES 2022

**1. Tournament Rules:** Great effort and research has gone into the formulation of these rules. These rules shall remain unchanged throughout all regional events. In the event of a rule violation, the Tournament Director may impose such sanctions, as he deems appropriate, including and without limitation, disqualification and/or forfeiture of prizes, entry fees, and prohibition from participation in subsequent tournaments. Decisions of the Tournament Director and Tournament Officials are final in all matters, are not subject to appeal, and are not reviewable by any court of law. Regional Officials may recommend disqualification and/or forfeiture of prizes and entry fees; however, the final decision to disqualify an angler will be made by the Regional Tournament Director after consultation with the State President or Vice-President. Disqualification from any regional event may result in loss of point standings and/or participation in future regional events including the Regional Championship. Any competitor who in the judgement of the Tournament Director is disabled in such a manner as to endanger the safety or well-being of themselves or another competitor shall not be eligible to participate. The Texas B.A.S.S. Nation reserves the right to make needed changes to these rules in order to ensure the safety and welfare of all anglers, and/or the public and preserve the integrity of the Texas B.A.S.S. Nation. Any rule changes will immediately supersede all previously established rules. It is each angler's responsibility to read and understand these rules. Tournament officials have the sole authority to determine whether a lure is considered a single lure as defines above. Only non-penetrating cull rings will be allowed for culling.

10. **Protests:** All protests must be submitted in writing to the Tournament Director within 15 minutes of the close of weigh-in.

11. **Polygraph:** All contestants are subject to polygraph examination at the request of the Tournament Director. Failure to submit to or pass a polygraph examination will result in immediate disqualification and forfeiture of entry fees and claims to any prizes.

## TEXAS B.A.S.S. NATION REGIONAL TOURNAMENT RULES 2022

Tournament Director for safety reasons. Take-off will be in a numbered order assigned by the Tournament Director and/or Regional Director. Each contestant is required to leave and return to the designated checkpoint. Any contestant returning late to the checkpoint will be penalized at a rate of one (1) pound per minute up to fifteen (15) minutes. After fifteen (15) minutes, no weigh-in will be allowed. If sharing the boat with a non-boater, both anglers must stay within sight of one another until both anglers catches have been presented for weigh-in. The only exceptions to this rule are when one angler is launching or loading the boat and restroom breaks.

**14. Points:** Points will be awarded based on finish. Contestants that do not weigh-in any fish will receive points based on each individual regions point system. Points will be used to determine “Angler of the Year” standings and for qualification into each Regional Championship tournament.

### **15. Bag Limits and Culling:**

Tournament standings, contingency awards and final winners shall be determined by the weight of each competitor’s catch during the competition days of the tournament. Only Largemouth, Smallmouth, Spotted, Redeye or Shoal bass will be weighed. The Boater limit shall be five (5); Non-Boater limit shall be three (3), of the above species and varieties per day, unless otherwise specified by tournament officials (example – hot weather/fish care concerns/championship events). The statewide minimum length limit is fourteen (14) inches. Tournaments held on bodies of water that have exceptions to statewide freshwater

harvest regulations will follow the regulations set forth by TPWD for that particular body of water. The Tournament Director at the registration meeting the day prior to the tournament will announce daily bag limit and length limits for the tournament waters. It is each competitor's responsibility to know the daily bag and length limit for the tournament waters that they are fishing. At no time shall a competitor have in his or her possession more than the tournament limit. If a competitor determines they have over the limit they must immediately reduce his catch to the tournament limit with a live bass of their choice from their catch. Each returned bass will result in a 2 pound penalty to be deducted from their daily score. In this case, competitors must attempt to notify tournament officials and if unsuccessful must notify officials at check in. Once a competitor checks in they must present all legal bass to tournament officials at the verification table. If competitors at the verification table have more than the tournament limit, the competitor will reduce with live bass to the tournament limit and each returned bass will result in a 2 pound penalty to be deducted from their daily score. If a competitor has his or her fish verified, weighed and upon returning to the boat discovers additional fish over the tournament limit that were not presented to officials; he or she then must notify tournament officials within one hour of final flight check in to receive a 2 lb. penalty for each bass discovered. **Anglers who do not remove fin clips prior to verification will be assessed a 4 ounce penalty per clip. No manmade or foreign object connected to a bass will be weighed and shall be removed by tournament officials.** The official length for bass shall be determined by

## TEXAS B.A.S.S. NATION REGIONAL TOURNAMENT RULES 2022

the Tournament Director and announced at the Tournament Briefing. In most cases, it will be the longest state limit covering the tournament waters. Only bass as described above which measure the official length or more on the longest straight line, shall be weighed. Fish will be measured on a flat board with the mouth closed and tail swept (not pinched). Any bass presented for weigh-in, which fail to measure the official length, shall result in a penalty of 1 pound for each such bass, which penalty shall be deducted from the total score of the competitor. If an angler chooses to weigh a single fish for big bass, that fish must be alive. No dead fish will be weighed for big bass. A dead fish penalty of  $\frac{1}{2}$  (0.5) pound per dead fish will be deducted from the total weight of the angler's catch. Any bass that appears to have been mangled, mashed, mauled or otherwise altered will be weighed and credited only at the discretion of tournament officials. After competitors check in at the official checkpoint they MUST present all LEGAL fish in their possession to a tournament official to be counted, measured and weighed. Once a competitor's catch is measured, counted and verified by a tournament official, that competitor may not return to the boat until their catch has been weighed and recorded. Bass must not be placed on a stringer at any time during the tournament. Specially designed bags, which increase survival rate, will be furnished by the Tournament Director and must be used for the weigh-in.

### 16. Ties:

## TEXAS B.A.S.S. NATION REGIONAL TOURNAMENT RULES 2022

In the case of a tie in weight, the following tiebreaker will be used: The competitor with the largest number of legal fish weighed-in. If a tie remains, a flip of a coin will determine the winner.

**17. Conservation:** Fish care and conservation are the primary concerns of all regions of the Texas B.A.S.S. Nation. Contestants will bring their fish to the scales in weigh-in bags with a sufficient amount of fresh water to keep the fish alive and healthy throughout the weigh-in process. The Tournament Director will establish the allowable number of anglers to be in the weigh-in line at any one time. Anglers not in the weigh-in line should keep their fish in the livewell with aerators and recirculators running. All fish caught during a regional tournament become the property of the Texas B.A.S.S. Nation and will be released alive if possible.

**18. Starting Positions:** Contestants, who register online, by mail, or at the registration meeting, will be assigned starting positions by the Tournament Director and/or Regional Director.

**19. Regional Championships:** Each region will hold a Regional Championship in a boater/non-boater format tournament after the regional circuits are concluded. It is suggested that this tournament be held at a location outside of each region's home circuit. To qualify for a Regional Championship each contestant must fish the required number of regional circuit events for that specific region. The top boater and non-boater from each Regional Championship will receive invitations to the Texas State Team and compete at the B.A.S.S. Nation Regional

Championship. Each region will determine the number of contestants that will be eligible to compete in their Regional Championship field.
